ROCK SPRING AND BEYOND!

Preparing Students not only for their education at Rock Spring Elementary but BEYOND as well (middle school, high school, tech, apprenticeship and college)
From the desk of Mrs. Gilstrap:

Food Drive: Thank you for contributing to our Food Drive. It has been successful. The food will go to several RSE families with food for the holidays.

Barnhill Preserve: We are excited about this program coming to our school on the 9th. Students will have to have a permission slip filled out and signed in order to attend this event. This event will be held in our gym. Live animals are part of the show. EXCITING!

Visitors-Our visitor plan went home this week. Please read over this. We are excited to have parents/visitors back in our building. This is going to be a slow phase in. Look for additional information coming home regarding these opportunities. We look forward to seeing you at our Christmas parties

SCHOOLCAST and DOJO: As the weather begins to get colder, make sure you are watching the news and getting the Schoolcast phone calls and Dojo messages. If you are not receiving the phone calls, please let us know. Please remember that the phone call will be from a WALKER COUNTY school number. Also, if the school is on a two-hour delay, our school day begins at 9:45.

Lastly, I would like to wish you a Merry Christmas and Happy New Year! May PEACE and FAMILY be your gift this Christmas and your blessings all year through!
